

# Obtaining Peer Feedback

---

Share your test shoots with at least 2 of your peers.

Ask them to comment on:

- How well they think your test shoots meets the requirements of the brief (HIPS and Strength/Identity)
- Technical Qualities - Camera work, lighting, mic levels, framing, editing
- What do they get from your work?
- Do they feel informed about your chosen theme. Why/why not?
- Suggested improvements to be made - research more, technical skills etc...

- A What feedback did you receive?
- B Do you agree with the feedback? Why/why not?
- C What actions are you going to take in response to the feedback?
